Senior Class of 1930

Delta, Ohio

Foreword

We place in your hands the 1930 Del-Hi which is a living record of the progress made by the students and teachers of Delta High School. It is our sincere hope that this book will serve its purpose—to bind together memories which will forever be precious.

Dedication

To our sponsor Mr. M. C. Miller, who has so diligently and faithfully directed us in not only this, the publication of our Annual, but in surmounting all other obstacles which have confronted us, and who has striven to make our school life more pleasant and interesting, we, the Seniors of 1930, dedicate this volume.

Success for Delta High School

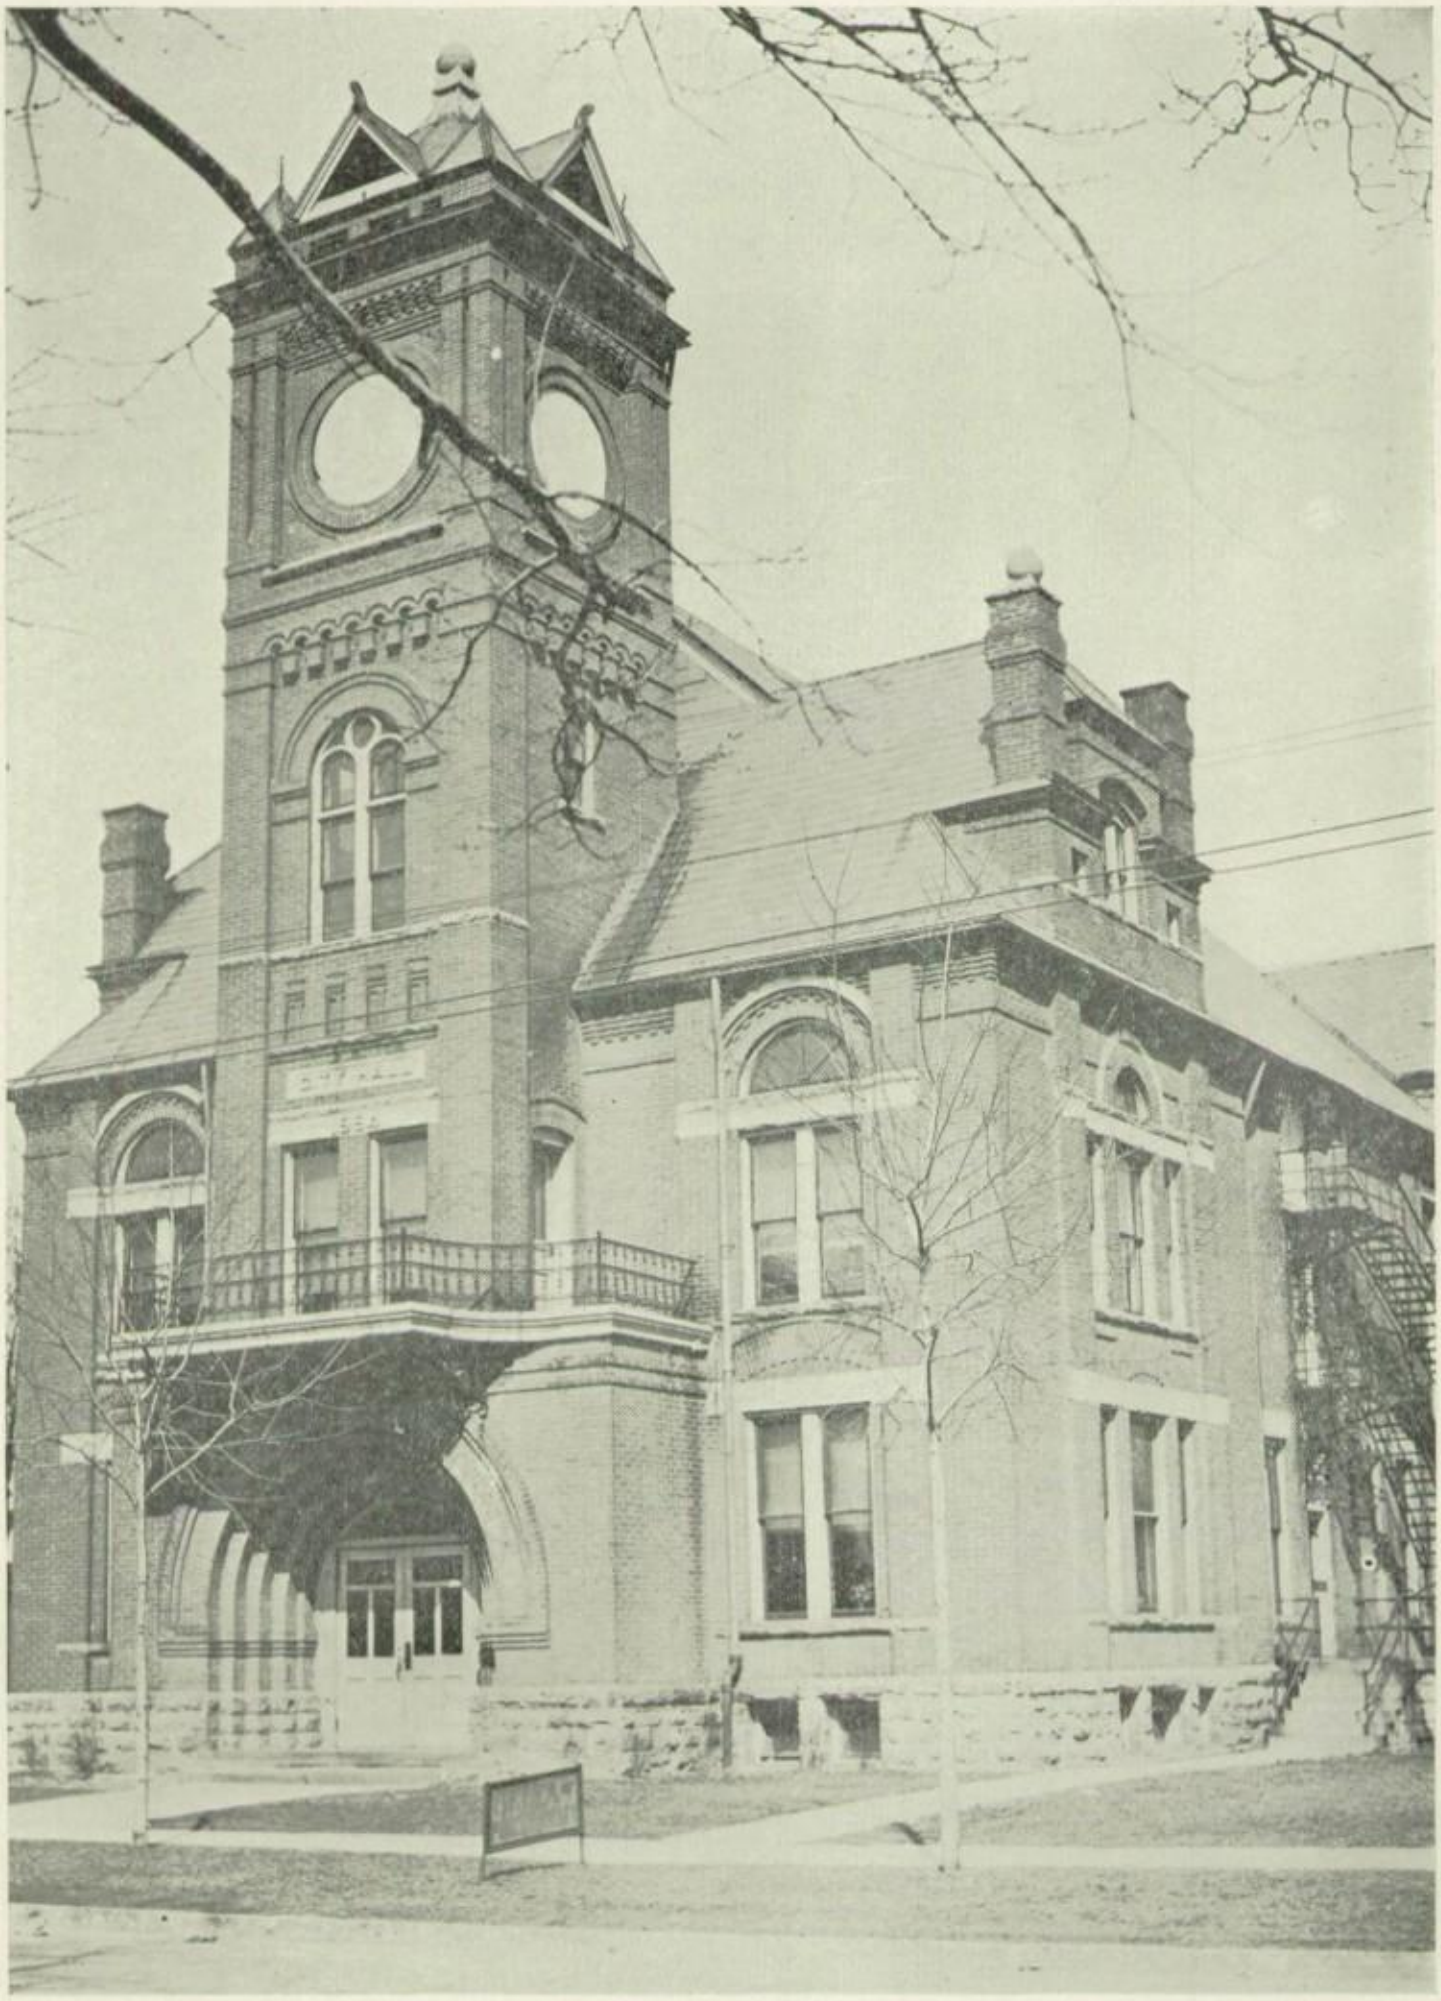
Since this book is published with the one purpose of recording the progress of Delta High School, it is only fitting that some space be given to a discussion of specfic respects in which there has been a marked advance.

One of the most important of the accomplishments is the publication of this annual. It is no small task to undertake such a project which means cooperation, careful planning and consistent work. This alone would mark any school year a success but in addition to this accomplishment many others may be added which help to prove that progress is being made in Delta High School.

Among the things of which the students of Delta may justly be proud are the organization of a Commercial Club; a Varsity "D" Association; weekly chapel services; organized girls athletic clubs; and the publication of the "Gold and White" which promises to become very important in the years to come.

It is by well directed education that we come to the full enjoyment of the present, and look with cheerful expectancy toward the future.

Knowledge is light; ignorance is darkness.



GYMNASIUM AND LIBRARY

The verification of chemical facts is as stimulating, pleasurable and satisfying to the immature pupil as true research is to the mature scientist.

Our improved laboratory conditions add fresh interest to the science subjects.

It is hoped that our science courses will influence the student to realize the amazing range of physical phenomena interwoven in their everyday life, and the strikingly simple and orderly set of principles that underlies all, and that thereby they may gain to some extent the scientific habit of thought.

Administration

Great credit for the growth of Delta Public Schools must go to John J. Beall, (B. A., Heidelberg, Wooster, M. A., Ohio State.) It is through his unceasing efforts that our school is one of which we can be proud. His sole aim has been to make a better school.

Our principal, Robert A. Younkin, (B. S., Bowling Green Normal,) is largely responsible for the splendid advancement of Delta High School. As sponsor of the Hi-Y Club he has been in close contact with the boys. His genuine interest in the students has made many friends for him in our school.

The Junior Class has been exceedingly active in school affairs during 1929-30. A very interesting pageant was rendered by the class at the Christmas Chapel held at the Community Hall.

The Junior class play "Applesauce," given April 11, 1930, was very well received by the entire community.

Much time and effort was spent by members of the class in raising funds with which to banquet the Seniors at the annual Junior-Senior Prom of May 9, 1930.

To open the school year a meeting was held at which new officers were elected and plans were made for the year. One of the big events in the Sophomore class history was the party held on December 30.

Both the Sophomore girls and the Sophomore boys made a record for themselves in athletics this year. Besides placing members of their class on the varsity teams, their standing was high in intra-mural sports.

The scholastic standing of the class was also remarkably high. There were more members on the Honor Roll from the Sophomore class than from any other.

The Freshman Class as a whole have through the entire year cooperated together in all activities presenting themselves. As to the social activities there has thus far been held only one party.

On the Friday night before Halloween a masked party was held at the Community Hall during which contests were staged, the best and most comical persons receiving prizes.

The Freshman Class may be complimented on their splendid cooperation in school affairs and their advancement as a class ready to enter Senior High.

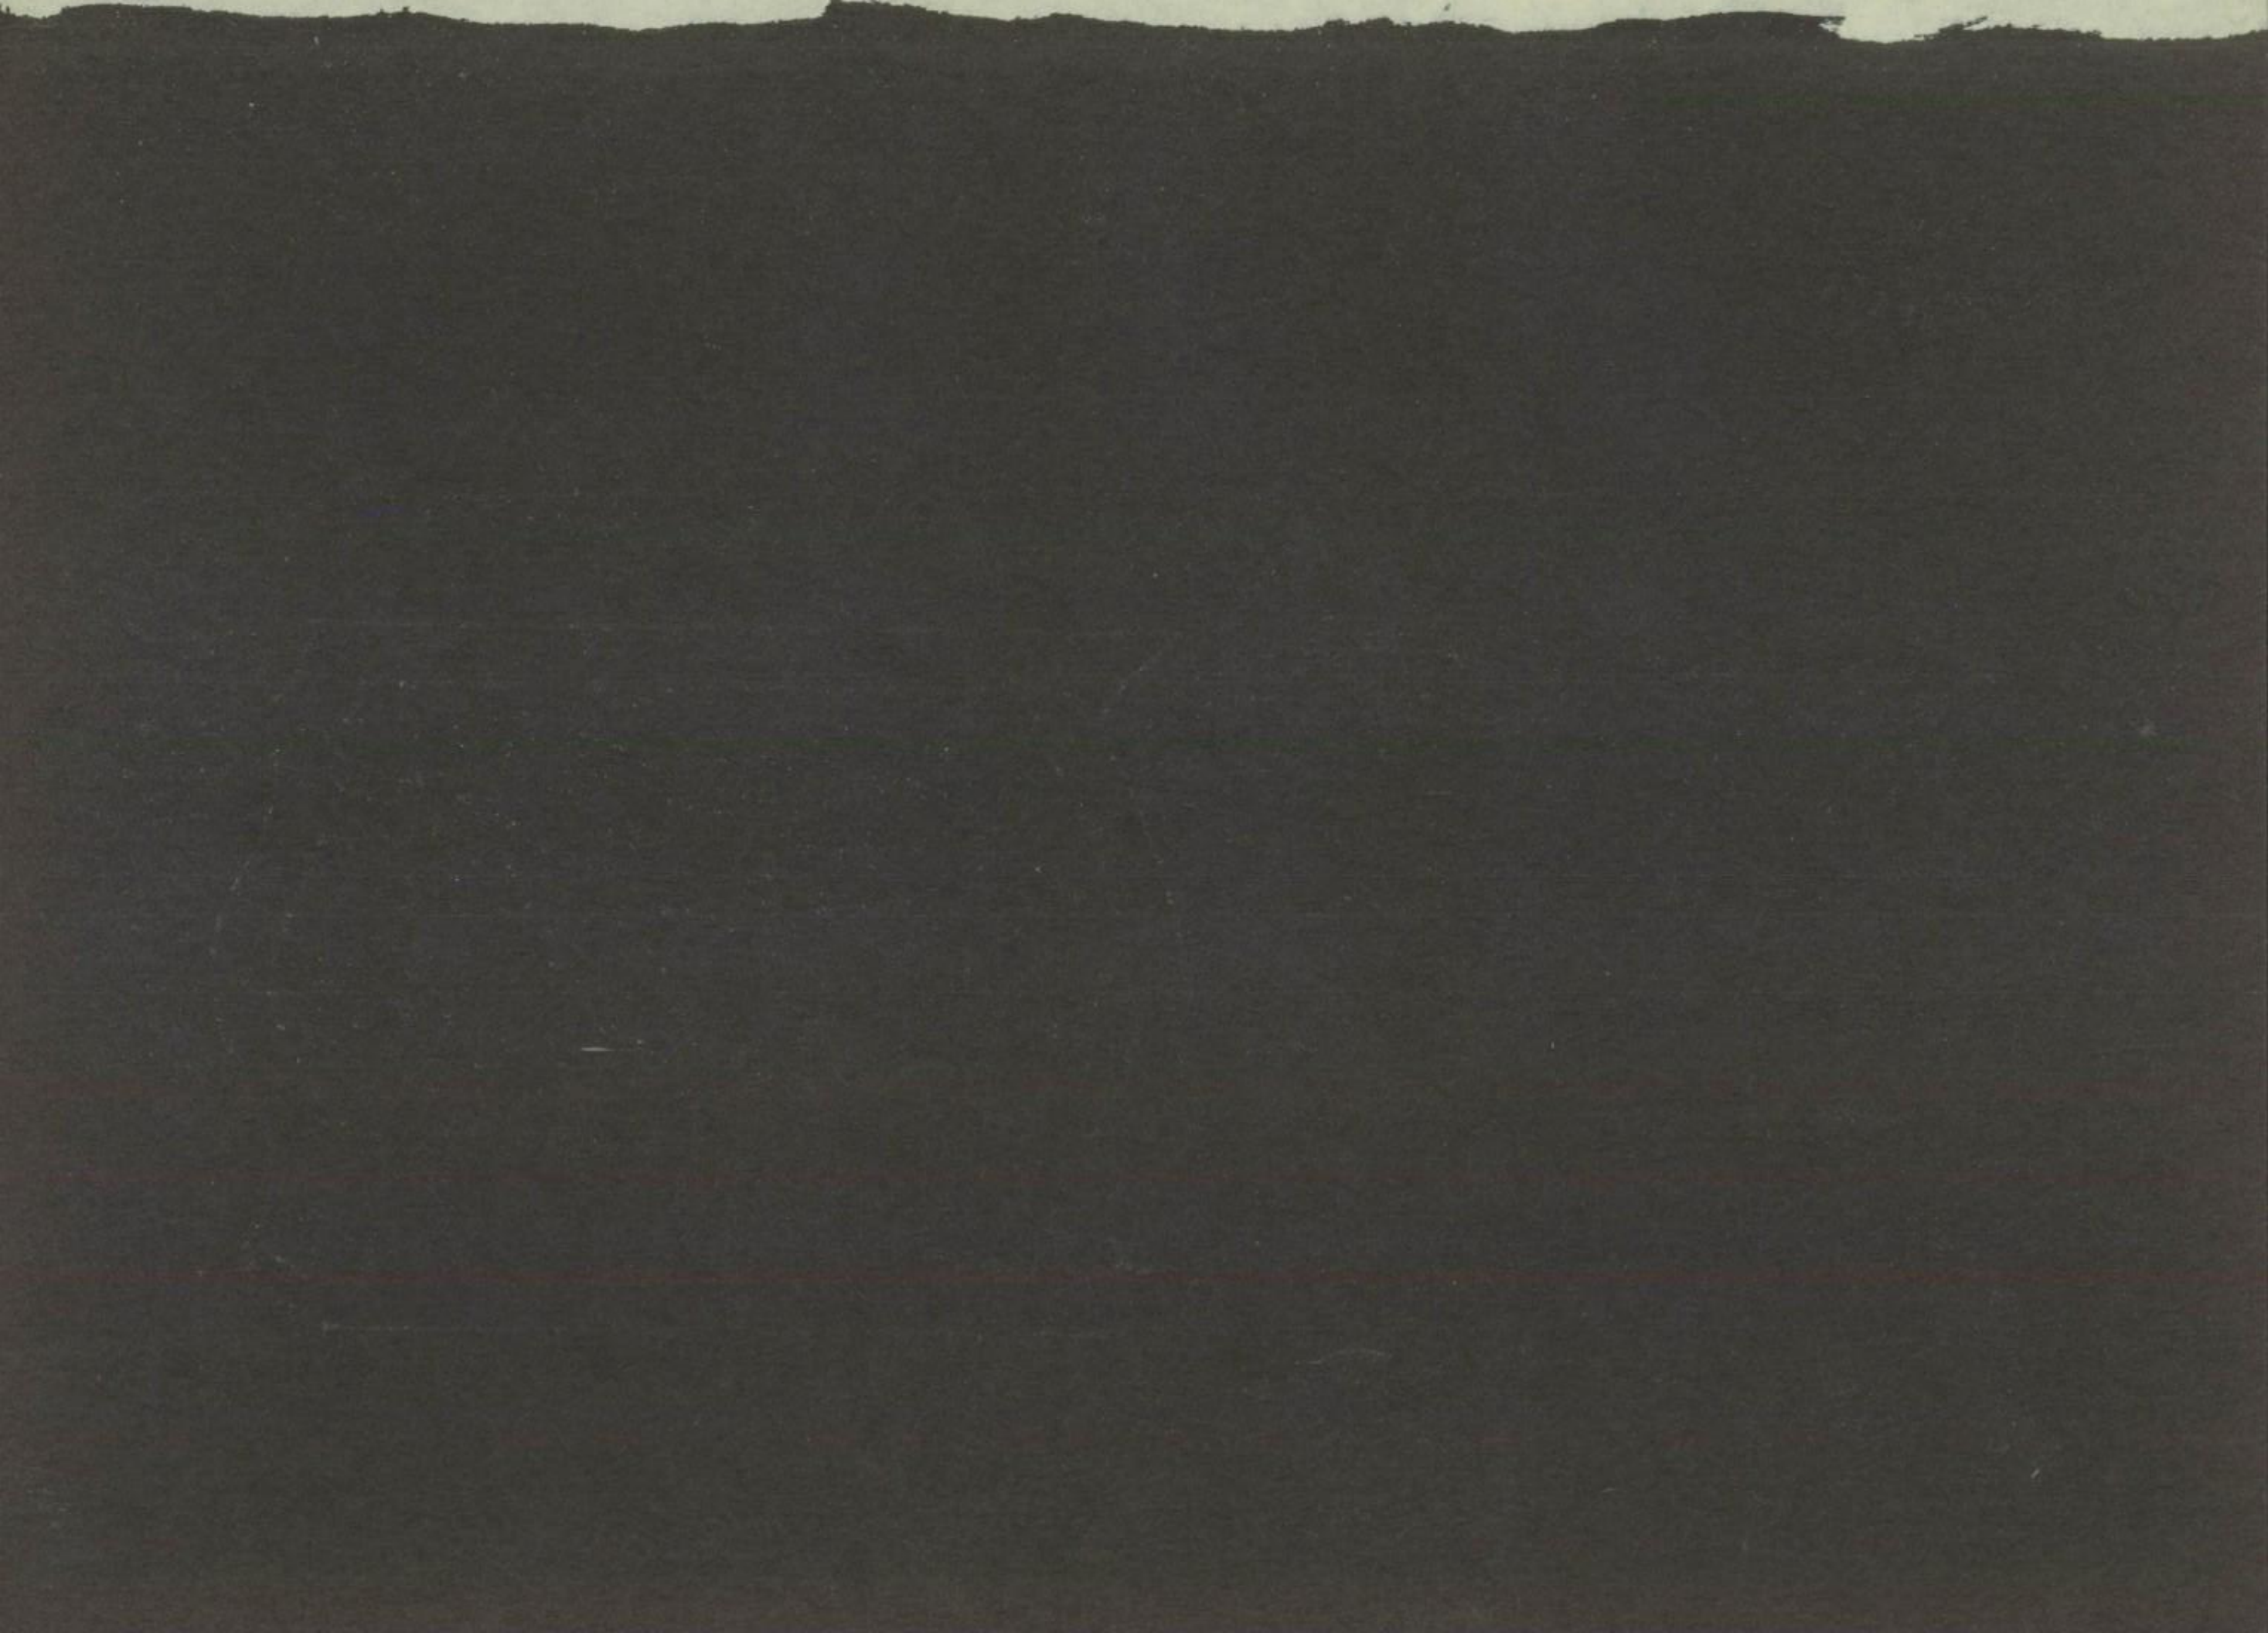
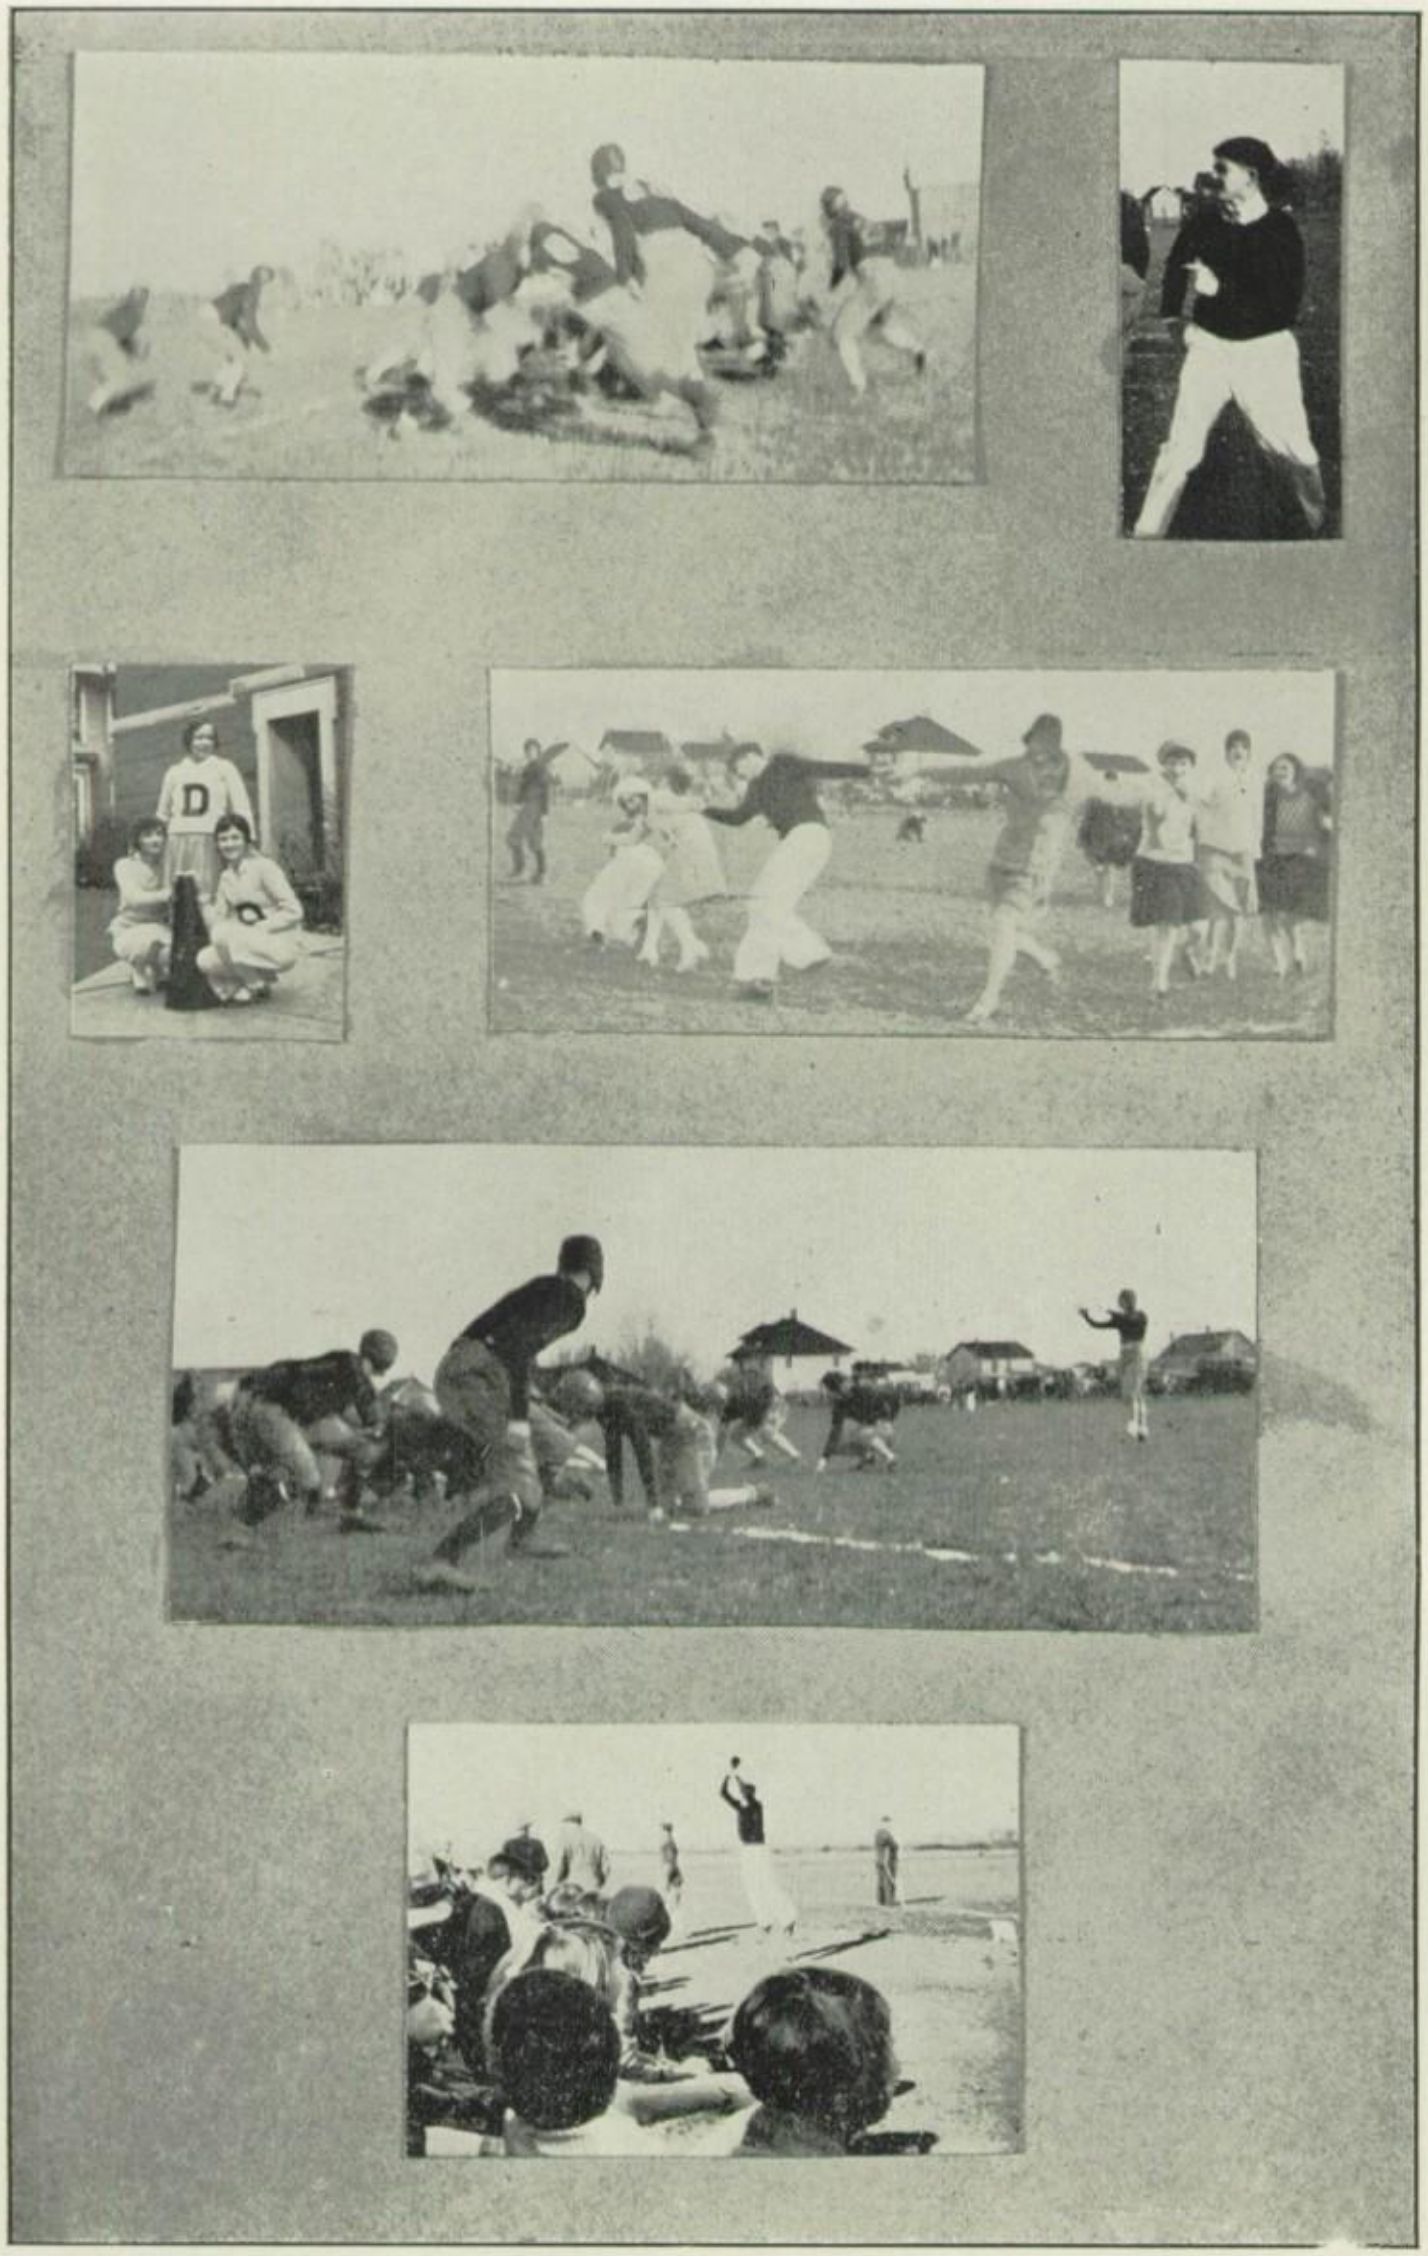
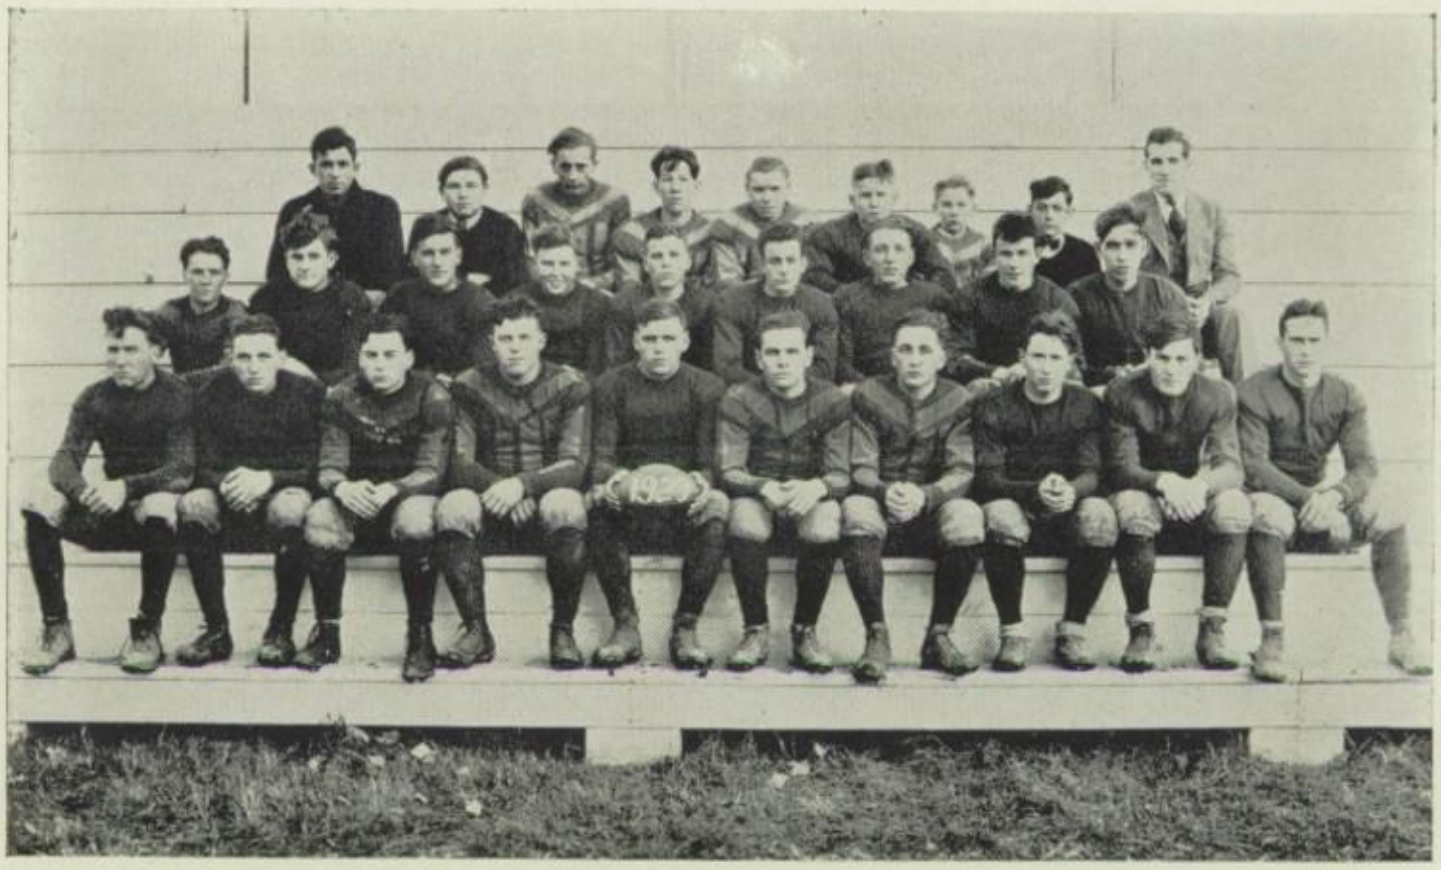
Athletics



Coach John C. Hopkins has just completed his first year as director of athletics and physical education. Although this is his first year at coaching he has proven himself to be a success in that line. This year he turned out a hard hitting football team whose standing at the end of the year was unusually high. Through his consistent work he has not only turned out successful teams this year but he has also started in training material for future teams. All games were not won, but the spirit of giving the best to the making of a squad remains in the hearts of his products.



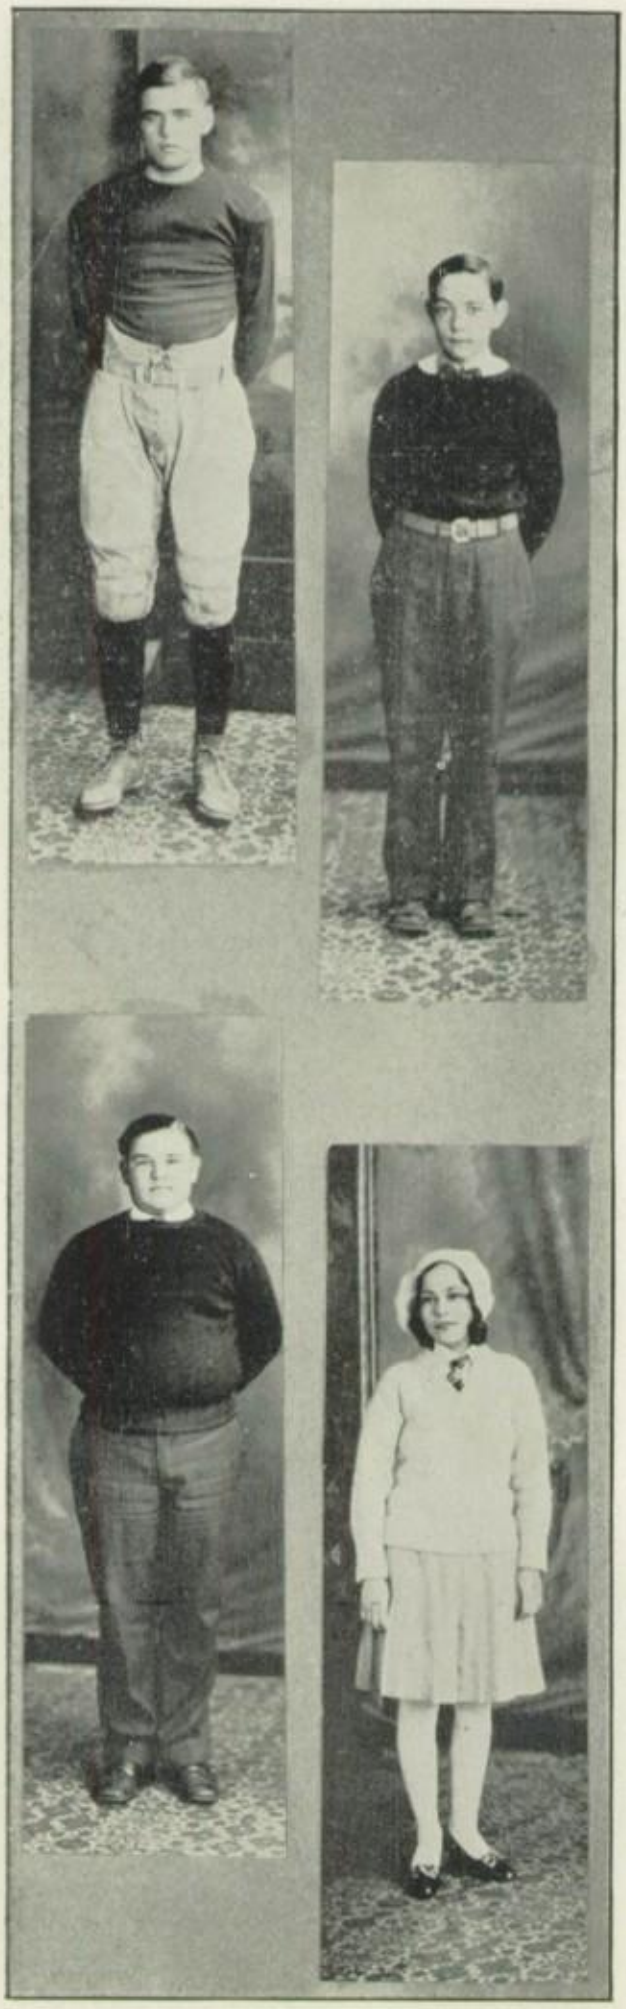


Football Squad

Back row, left to right: Coach Hopkins, R. Baker, O. Dellenbach, G. Dunbar, M. Ruple, R. Rathman, D. Bittikofer, R. Fashbaugh, Mr. Younkin.

Middle row, left to right: D. Harmon, R. Green, W. Reed, H. Savage, E. Mack, V. Knapp, F. Raker, C. Weaver, M. Miller.

Front row, left to right: W. Olmstead, C. Raker, R. Kesler, E. Ohlinger, H. Whitmire, C. Whitmire, A. Fish, K. Turpening, G. Reed, M. Geer.



HOWARD WHITMIRE (C) Tackle

A hard-hitting, wide-awake player, who specialized in blocking punts. His ability as a defensive player enabled him to lead the team at all times.

ROBERT FASHBAUGH Asst. Mgr.

He proved that men on the team are not the only ones who work hard. One of the letters was awarded to "Bob" and we all realize the value of his efforts.

RAYMOND BAKER Manager

A man always on the job in backing a great football team. We think that the letter given to "Fat" was well earned.

EDNA LEU Cheer Leader

Whenever a peppy time was needed, Miss Leu could be depended upon to lead it..

CARLISLE WEAVER — End

A hundred and thirty-five pounds of hard-hitting grit and enthusiasm.

MAX GEER — Guard

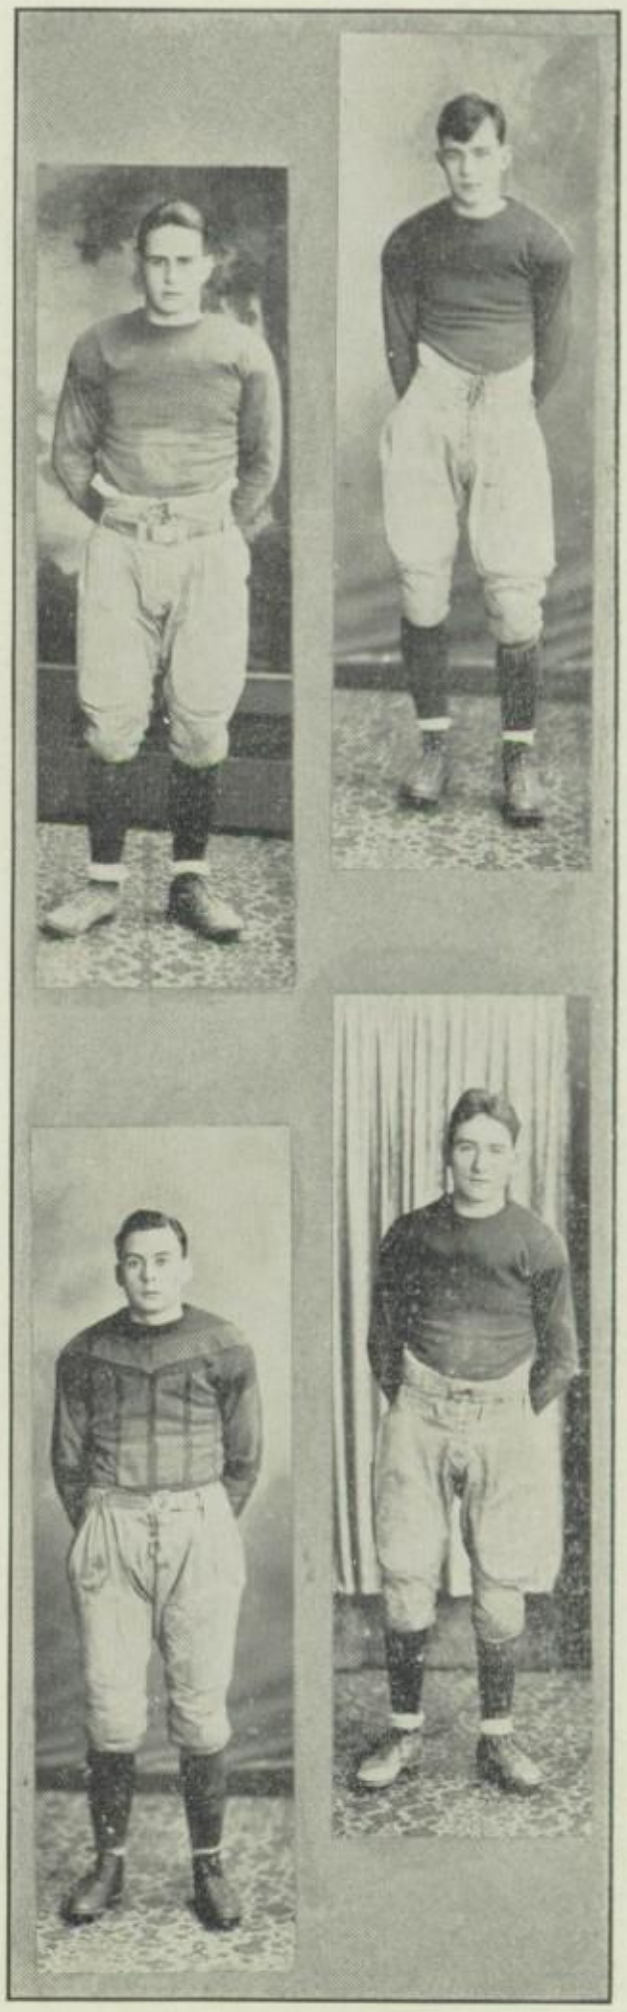
A player who always got his man. He specialized as an offensive player.

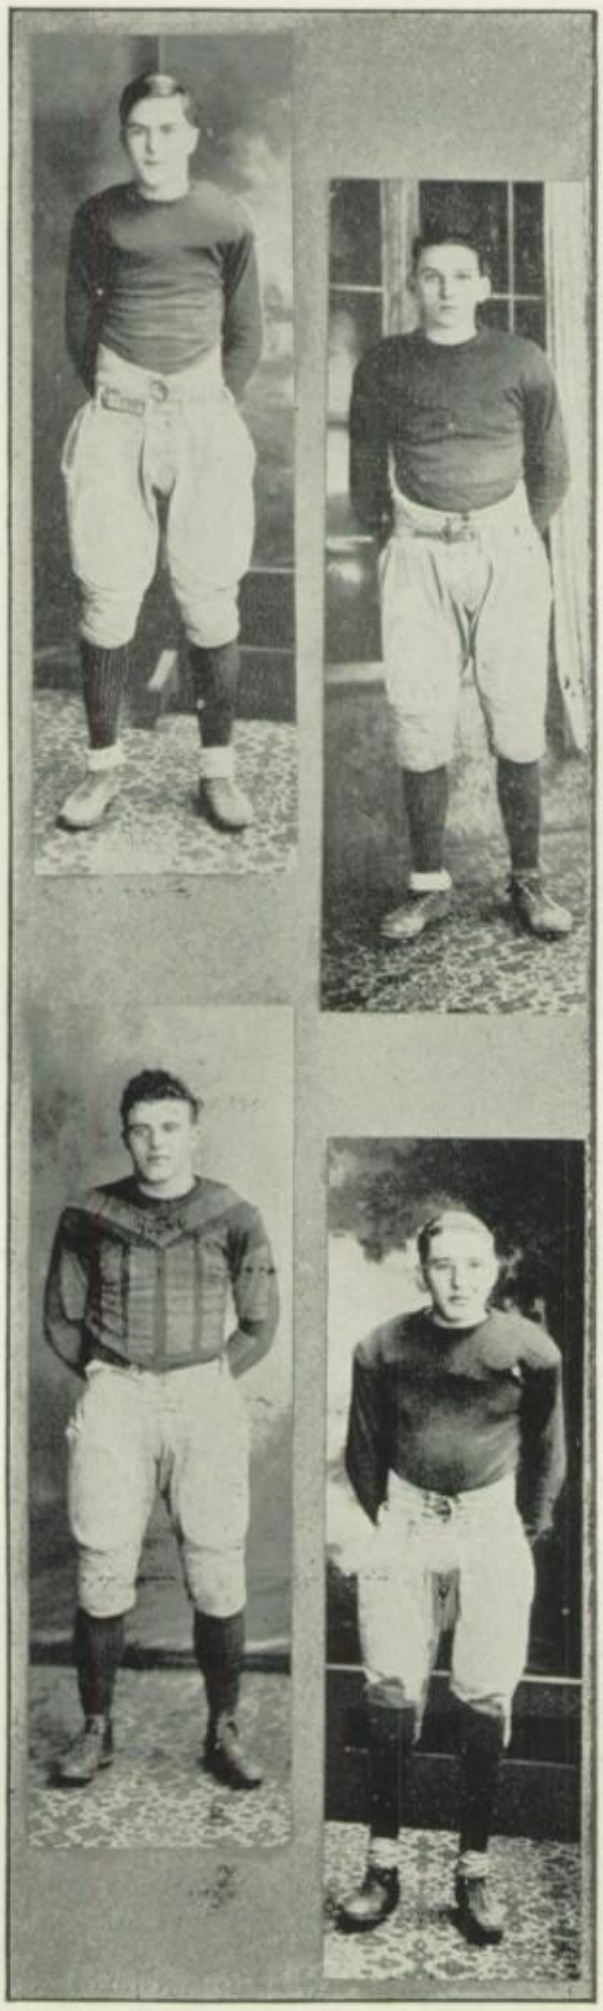
WILSON OLMSTEAD — End

An all-around athlete. A player who never knew when he was licked.

ROBERT KESLER — Quarterback

One of the most famous end runners the school has ever produced. From his position as quarterback he ran the team in fine shape.





GLEN REED — Guard

Utility man. He played center, guard and tackle equally well.

CLYDE RAKER — Tackle

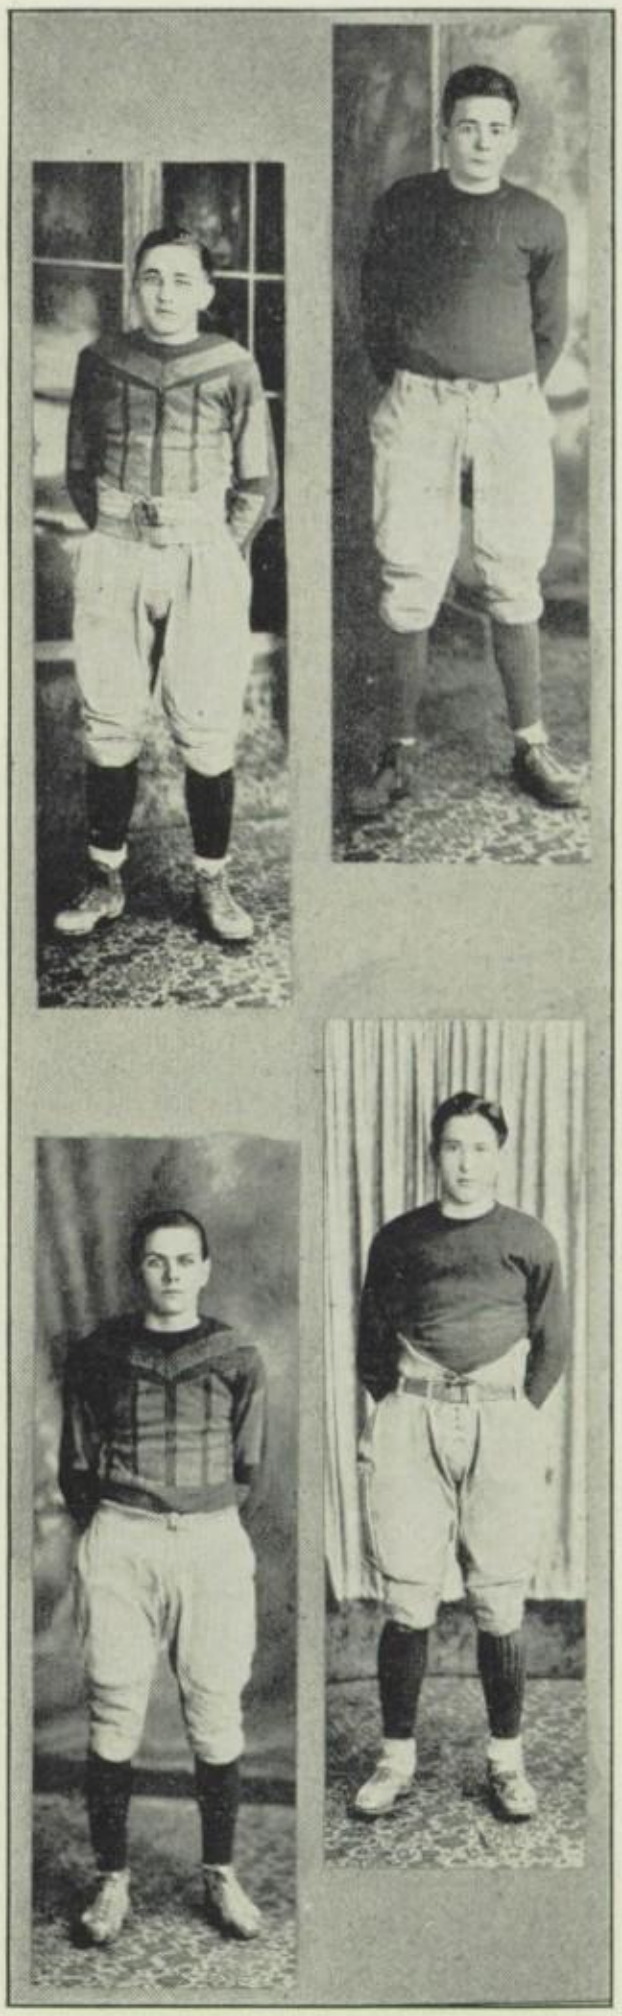
An exceptionally good tackler who contributed much to the success of the team.

ELLSWORTH OHLINGER — Fullback

Lived up to all of Delta's traditions of what a good fullback should be.

FLOYD RAKER — Tackle

1930 opponents beware!!! One of Delta's best linemen.



VERN KNAPP — Quarterback

A faithful, hard-working player from whom much may be expected in his Junior and Senior years.

ARTHUR FISH — Halfback

First year out. A smashing, driving backfield man.

KIRKWOOD TURPENING — Center

Although this was Kirk's first year as center, he proved his ability, and great things are expected of him next year.

CARL WHITMIRE — Halfback

Distinguished himself as an athlete in the grades and won for himself, in his Freshman year, a place on the varsity football team.

Review of the Season

ARCHBOLD—DELTA

Delta High School's football squad started the season out big, by beating Archbold 63 to 6. The whole Gold and White team played a good game.

NAPOLEON—DELTA

The second game of the year proved a disappointment to the Gold and White. In spite of the fact that every one of our football players worked hard, the game was lost by a score of 39 to 0.

MORENCI—DELTA

After the defeat of the previous week, Delta showed a real comeback by beating Morenci 20 to 6. As the score shows, the Delta boys were in every play with the determination to win.

MONTPELIER—DELTA

Delta beat Montpelier's football squad in a fast and furious game. From the first whistle to the final gun, Delta had Montpelier on the defensive. Our first touchdown won the game and the second touchdown proved our superiority. The score was 13 to 0.

BRYAN—DELTA

Bryan was the second league victim of the Delta squad. Bryan played a good defensive game but was weak on the offensive. Delta's touchdown came soon after Bryan made the mistake of fumbling on the twelve yard line. The score was 6 to 0. As this result indicates, the game was no walk-away for Delta.

STRYKER—DELTA

In spite of a downpour of rain Delta won a victory over Stryker. A player not only had to know how to play football in this game, but how to swim as well. Delta succeeded in swimming to two touchdowns while Stryker obtained one. The final score was 13 to 6.

LIBERTY CENTER—DELTA

This game was played before a record crowd on an ideal day for football. The Delta boys couldn't get going and the result proved to be defeat by a score of 12 to 0.

SWANTON—DELTA

Something was wrong in this game. Delta failed to get organized against the Swanton squad. Every one hoped for a last minute rally which did not appear. The score was 12 to 7.

WAUSEON—DELTA

This game brought the football season to a close by a victory for Delta, 12 to 7. Captain Whitmire played the game of his life. The hard and successful work of the line men was an important factor in the game. With Kesler on the side-lines, Ohlinger was called upon to carry the brunt of the offensive. How he did answer to that call. Fish, playing half-back, made a series of nice gains. Knapp replaced Kesler and proved that he could use both his head and his feet. Carl Whitmire held down the other half-back position like a real warrior. Geer, Olmstead, and Turpening proved that they had the "stuff" football men should possess.

League Standing for 1929

Napoleon	First
DELTA, Liberty Center	Tie for second and third
Montpelier	Fourth
Bryan	Fifth
Wauseon	Sixth

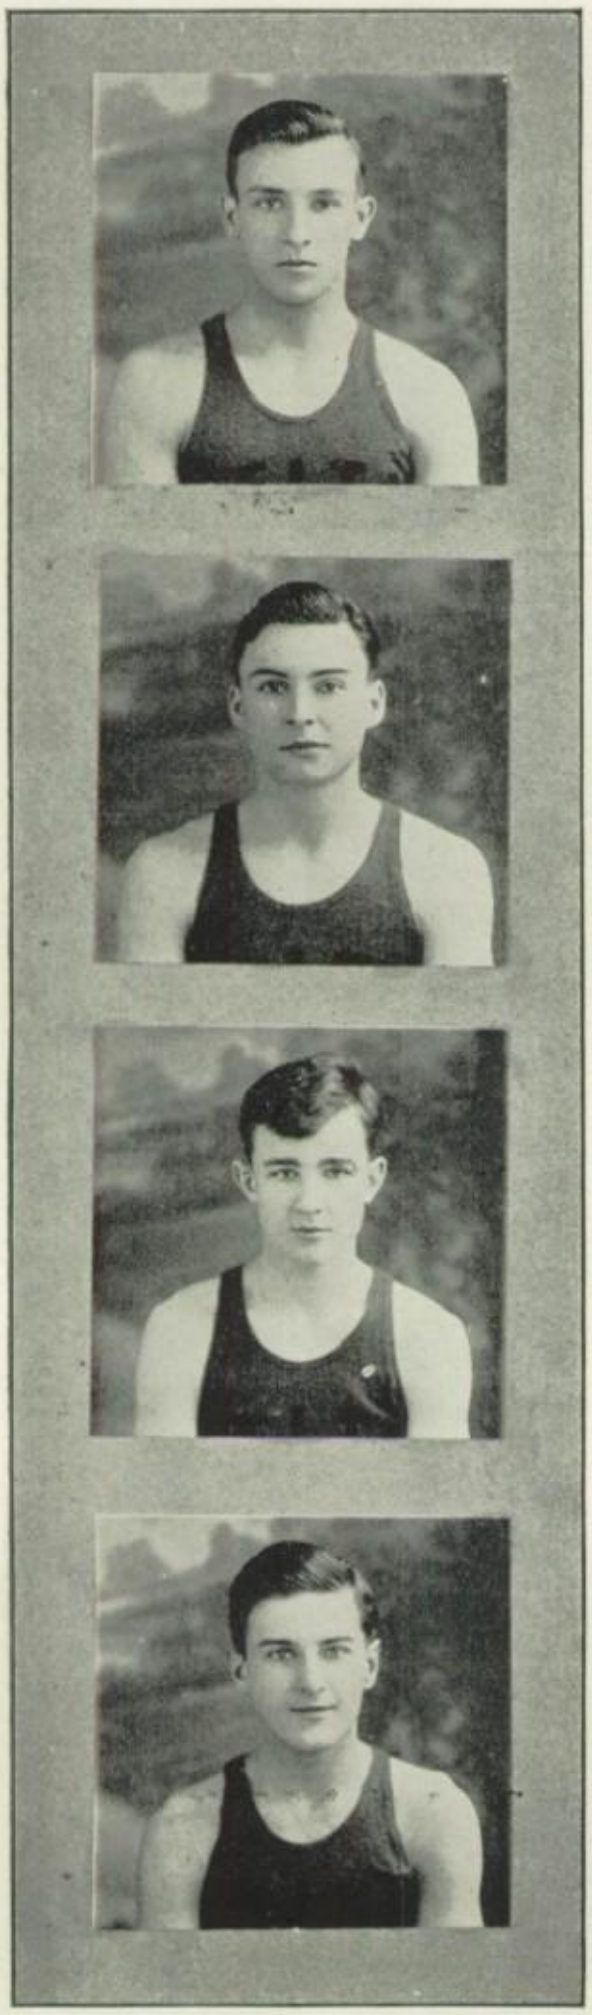
Too much praise cannot be given to Coach Hopkins and his football squad for the success which they have attained this year. The high marks in the season will be remembered as the Bryan, Montpelier and Wauseon games. In addition to these victories, several players from the squad were awarded places on the All-League Team. Taking it all in all, excellent coaching and determination on the part of the players brought glory to Delta.

Basketball Squad

Back row, left to right: K. Turpening, O. Dellenbach, G. Reed, J. Goddard, H. Camp, D. Harmon, H. Savage.

Middle row, left to right: Coach Hopkins, C. Whitmire, R. Rathman, W. Purdy, W. Reed, W. Deck, M. Ruple, E. Mack, Mr. Younkin.

Front row, left to right: C. Weaver, R. Kesler, E. Ohlinger, M. Betz, H. Whitmire, S. Huit, W. Olmstead.



MARVIN BETZ (C) — Guard

A real fighter whose offensive power kept the ball for Delta.

ROBERT KESLER — Forward

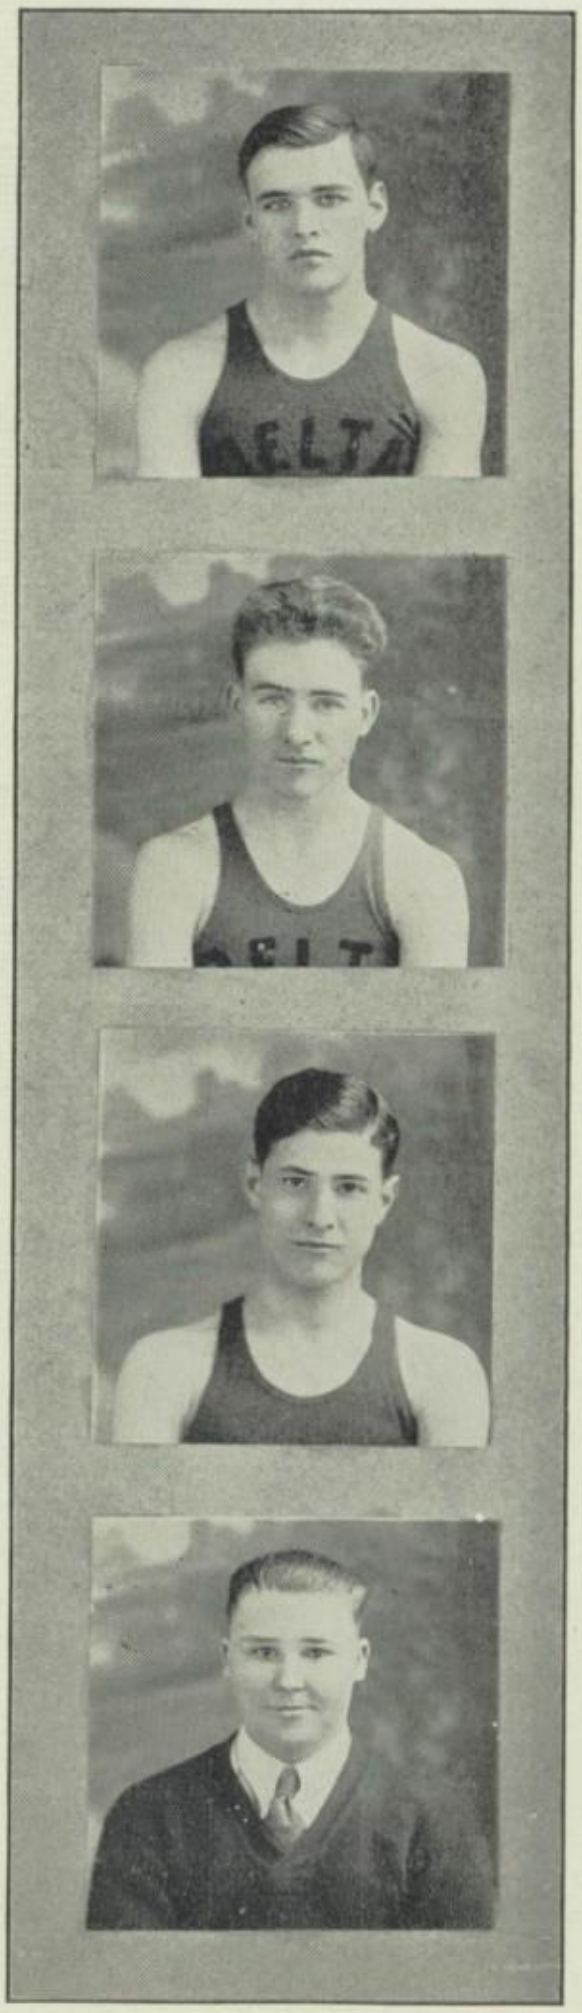
High point man in most of the games. He never gave up until the game was over.

CARLISLE WEAVER — Guard

A dependable man on defense. Not always scoring but helping to score.

WILLIAM REED — Forward

A player who played hard, and fought to the end of the game.



HOWARD WHITMIRE — Center

A player who cooperated with his team. His height helped hm to become a dangerous man.

WILSON OLMSTEAD — Forward

Accuracy is his middle name for he could always be counted on for a basket.

STANLEY HUIT — Center

Another fighter whether at center or forward. Great things are expected of him next year.

HOWARD SAVAGE — Manager

The manager's letter went to Howard. He had a hard job to perform but he lived up to his duties to the best of his ability.

Review of Basketball Season

FULTON—DELTA

After two days of practice Delta's basketball team played its first game and came out a winner with a score of 20 to 25.

MAUMEE—DELTA

Cooperation, hard and fast playing won this game for the Gold and White, 21 to 25.

MONTPELIER—DELTA

Although our boys fought hard, they left the floor defeated. However, they were defeated in the score only and not in spirit. The result: 22 to 10.

BRYAN—DELTA

In this game Delta lost her second league game by a score of 31 to 10.

NAPOLEON—DELTA

Delta lost the third league game to Napoleon by a score of 26 to 13. At the end of the first quarter Delta was in the lead, 6 to 1. The first thirteen points for Napoleon were made because of fouls.

LIBERTY CENTER—DELTA

Delta lost this game but the team was still fighting in spite of the score which at the end was 34 to 13.

SWANTON—DELTA

This game was probably one of the most interesting games of the season. Although the passing and guarding on the part of the Delta players was very good, the final score was 24 to 20.

BRYAN—DELTA

Bryan, the league leader, added to its glory by beating Delta, 24 to 10.

WAUSEON—DELTA

This was one more unfortunate incident in Delta's basketball season. Another defeat—27 to 19.

LYONS—DELTA

In this game "the worm turned" and Delta was the winner. After a series of defeats the score of 31 to 23 was something to regard with pleasure.

NAPOLEON—DELTA

Another defeat for our boys with a score of 22 to 18. However as the score indicates the game was not an easy one for Napoleon.

WAUSEON—DELTA

In this game history repeated itself. However the players of the Gold and White put up a good fight. Score: 30 to 24.

MONTPELIER—DELTA

This was the most exciting game of the season. Delta's expert passing and playing won the game straight from the beginning. In the third quarter Montpelier staged a rally which tied the score but in the last few minutes the Delta players put forth their best and won by a score of 36 to 29.

LIBERTY CENTER—DELTA

The last league proved to be another defeat for Delta by a score of 23 to 37.

Honor Roll System

In order to show appreciation and respect to those who have made unusual accomplishments in regard to their scholastic record, our school with the supervision of Mr. Younkin, formed an honor system including certain purposes, requirements and privileges.

The one great purpose is to develop the students' initiative and sense of responsibility in order to be of benefit in forming new personal habits.

Then in order to eliminate those unworthy of recognition, the following requirements were laid down: That a pupil must show exemplary conduct throughout the school; that he must have at least three A's with no other grade less than B; that all absences be promptly and properly excused.

If a student has met with all requirements he is allowed the privilege of spending the following six weeks as he thinks best, as long as he does not violate any of the rules before stated. He is also urged to spend his study periods at home, in the library or in a vacant class-room.

The following students are those who at some time during the school year succeeded in gaining recognition as being on the Honor Roll:

Sponsor—Mr. Tressler

The Future Farmers of America, under the supervision of Mr. Tressler, was organized from the former Agriculture Club. Our organization has been very busy this year. In addition to entertaining the Home Economics Club at a party, and presenting the play, "Fingers," we put out a basketball team which played several games during the season.

The Girls Athletic Association is a new organization in the Delta High School. Under the sponsorship of Miss Ogan, the club was organized at the beginning of the year. The members adopted as their motto, "Vincit que se vinsit," and as their slogan, "play fair." Hikes and games were planned for the program and the girls enjoyed their work in the club very much.

MARGARET SCHROCK ..... President
HAZEL HALLETT ..... Vice-President

Faculty Advisor—Miss Ogan

"Play fair" is the slogan for the Junior Girls Athletic Association. Carrying out this plan, twenty-six girls have the opportunity of participating in basketball, Newcombe, and other games. It is the aim of this department to familiarize the girls with the common sports. The work is under the direction of Miss Ogan and is interesting as well as instructive.

CONCLUSION OF CALENDAR

Our meeting here from day to day,
Has knit us in a tie
Of friendship, kindness, and good will,
Which time will sanctify.
We've laid foundations, sure and strong,
On which to build a life,
That in the future time will shine
And triumph over strife.
